CERTIFICATE

TÜV SÜD Slovakia s.r.o.
Certification Body for Management Systems

Accredited by SNAS
Certificate on accreditation No. R-074

certifies that

SAFICHEM projekty group

Safichem Projekty Group AG

Třebohostická 3069/14
CZ – 100 00 Praha 10

including the plants and scopes of application see enclosure

has established and applies
an Information Security Management System

Statement of applicability from 01.03.2019

An audit was performed, Report No. **1592/30/19//AS/R1**

Proof has been furnished that the requirements
according to

ISO/IEC 27001:2013

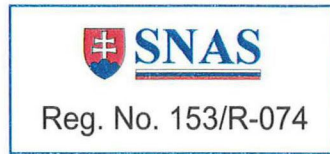

are fulfilled. The certificate is valid until **2022-05-18**

Certificate Registration No. **I 1592-2**

Bratislava, 2019-05-30

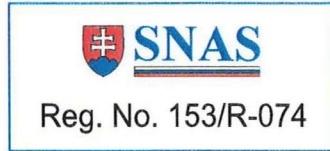

TÜV SÜD Slovakia s.r.o.
Certification Body for Management Systems
Member of Group TÜV SÜD
Jašíkova 6, 821 03 Bratislava

Enclosure of Certificate No.: I 1592-2

Plants	Scopes
Safichem Projekty Group AG Třebohostická 3069/14 100 00 Praha 10	Project management and engineering services, design, procurement, subcontracting, construction management, commissioning and start-up in chemical, petrochemical, refinery, food, paper and pharmaceutical industries, pipeline transportation, storage systems for liquids and gas, water treatment, environmental engineering and power generation.
Chemoprojekt, a.s. Třebohostická 3069/14, Strašnice 100 00 Praha 10	Project management and engineering services, design, procurement, subcontracting, construction management, commissioning and start-up in chemical, petrochemical, refinery, food, paper and pharmaceutical industries, pipeline transportation, storage systems for liquids and gas, water treatment, environmental engineering and power generation.
TECHNOEXPORT, a.s. Třebohostická 3069/14, Strašnice 100 00 Praha 10	Project management and engineering services, design, procurement, subcontracting, construction management, commissioning and start-up in chemical, petrochemical, refinery, food, paper and pharmaceutical industries, pipeline transportation, storage systems for liquids and gas, water treatment, environmental engineering and power generation.
AQUATIS a.s. Botanická 834/56, Veverí 602 00 Brno	Research and development in natural and engineering science; architectural and engineering activities (incl. the design) and related engineering consultancy; geological survey and related engineering consultancy; land-surveyor's and cartographical activities and related engineering consultancy; tests and analyse.
IDO HUTNÝ PROJEKT a.s. Lakeside Park 01 Tomášikova 64 831 04 Bratislava	Designing and engineering activities in the areas of hydrometallurgy, pyrometallurgy, non ferrous metals, special ceramics, machine production, chemical production, petrochemical production, waste treatment, building construction, transportation construction and water management construction, engineering constructions and bridges, management and measurement systems, electrical and power equipment and network and regional planning records and documentation. Procurement, delivery and management of constructions.
TECHNOEXPORT Storage a.s. Třebohostická 3069/14, Strašnice 100 00 Praha 10	Engineering, Design, Manufacture, Installation and Servicing of Industrial Technological Equipment and Plants.
