

Processing of personal data

We hereby inform you that we process your personal data for the purpose of evaluation of applicants for employment and of the recruitment process, particularly in respect of the position inquired by you or, in the case of your consent expressed here below, also for other open positions. The legal reasons for the processing shall be our rightful interests

The processed personal data shall be your identification data, contact data, data on your qualification and other data contained in your curriculum vitae, including photograph or data required for a particular position. In the case a position with material responsibility is in question, we also process data on criminal integrity.

The administrator of the personal data shall be the company Chemoprojekt, a. s., Org. No.: 45273383, registered office at Praha 10 - Strašnice, Třebostická 3069/14, Postal Code: 100 00, incorporated in the Commercial Register organized by the Municipal Court in Praha under the File No.: B 1492.

For more detail information on the processing of your personal data for the above-specified purpose and on your rights, please, see

[Information on processing of personal data of applicants for employment](#)

Apart from the above-specified, in the case of your consent, we will further keep your data for the period of 12 months, as of their provision, in the list of possible applicants for the purpose of future selectin procedures.
